Spiritual Gifts

Our Special Abilities

All of us have been given special abilities - gifts - from God. Spiritual gifts are abilities given to every Christian, by the grace of God through the Holy Spirit, to be used to serve others, glorify God, and build up the Body of Christ (the group of Christian believers). Spiritual gifts are God's empowering for God's work in the world.

What do you like to do? What are your interests? What do your friends and family members tell you that you do well? What are your passions? Answers to these questions will help you identify your gifts and abilities.

We are asked to share our gifts with others. I Peter 4:10 *"Each one, as a good manager of God's different gifts, must use for the good of others the special gift he/she has received from God."* (TEV)
